Re: Gilliland's Road House

Attempt to interview DANIEL MALONEY, 13 Delafield St.

Operative went to #13 Delafield St. to have a talk with Daniel Maloney, who was a friend of Stumpy Gilliland. Interviewed Mrs. Maloney, wife of Daniel Maloney, who informed me that her husband is on a drinking spree and it is hard to tell when I could see him. She was not able to tell me where he could be found. I asked her if she thought I could see her husband Monday A.M. and she said she would try to have him stay in the house Monday to meet me.

Respectfully submitted:
